

**Harlequin Bowmen
Club Social Shoot
“Archery Triathlon”
18th September 2022 Results**

Thank you to everyone who took part in our newly named ‘Annual Club Social Shoot’ last month. It was lots of fun to run 3 events through the day and we had record numbers of club members join in....certainly beating our participation in the last 4-5 years. Thank you to everyone who took part.

We had 30 archers compete in the clout, which is superb. We do run monthly clout sessions over the winter so please join us if you can and would like to build your clout scores up over the next few months.

There were a similar number of wand participants, around 28, all vying to hit the small thin piece of polystyrene we call a wand. There were a total of 15 wands and 53 rings hit during the 3 dozen arrows. Well done to everyone who bagged themselves a wand (-;

To finish, we ran a shortened target round, a Warwick, which suited us all after the rest of the day. Again, we had around 30 archers taking part, and some great achievements all round.

For the combined prizes over all 3 events there were 24 archers eligible for the ‘Treasurers Cup’, ‘Richard Parker Memorial Trophy’, ‘Novice Award’ and ‘Generations Cup’ awards. There seemed to be a real sense of fun with 10 ‘Generations’ partnerships working together to win....

...and so to thanks: to everyone for turning up and helping out and to Helen for her final stint as Catering Officer and to Robin, our Lady paramount for the day. We had over 30 happy archers leaving the field at the end of the day. Same time next year?

Thanks to all!

Paul Comina

Handicap Competition Results: Warwick Rounds and Shorter Versions

Full table including prize winners

A perfect round, shooting to your handicap, would lead to an adjusted score of 1440....anything higher than 1440 represents a significant improvement on your current handicap! Well done!

First name	Last name	Score	Hits	Golds	Handicap	Allowance	Handicap Score	HCAP RANK

Richard Parker Memorial Cup and Treasurers Cup awards and Novice Awards

Both of these prizes are awarded based on ADJUSTED scores for BOTH the Clout and Warwick rounds. Archers must have shot BOTH rounds to be eligible. 17 competitors (13 senior and 4 junior) met these criteria.

Adjusted scores are produced by using Archery GB Classification boundaries and scaling for each bow type to give a 'recurve' score for non-recurve bow types. Archers shooting above or below their age group are adjusted using the handicap for the round shot and converting into the equivalent expected score for the same handicap on their 'expected' round.

The Treasurer's cup is awarded to our Juniors. The Richard Parker memorial cup to our seniors. Totals for eligible archers and prizes awarded are listed below. Novice prizes awarded to archers who are less than 12 months into archery
