Adjusted scores for Albion rounds use a multiplier to convert scores to an equivalent 'Recurve' score. The multipliers use classification boundaries based on age, gender and bowstyle and are different depending on the classification achieved. It all gets very complex but is actually not that bad when you look at it.

## BEST JUNIOR (Bartholomew Cup for best overall Junior (all rounds))

| First name | Last name    | Club                       | Bowtype  | Round      | Gender | AGE Category | Score | Classification | Points | RANK |                                 |
|------------|--------------|----------------------------|----------|------------|--------|--------------|-------|----------------|--------|------|---------------------------------|
